We are a professional painting and renovation company that seeks to bridge creative ideas with technical merit to clients across the country.

BEYOND PAINT

MISSION STATEMENT

To achieve one hundred percent customer satisfaction, while operating on the values of integrity, dependability, and a superior quality of craftsmanship. As a painting company we aim to:

- Continually prove the quality of services offered to our customers.
- Assist customers in spending their time, effort, and money as efficiently and resourcefully as possible.
- Search for new growth opportunities, while keeping focus on areas in the fields in which our painting company has knowledge and experience.
- Maintain an organizational environment that fosters motivation, teamwork, and individual achievement.
- Emphasize growth as a requirement for success.

We aim to achieve one hundred percent customer satisfaction, while operating on the values of integrity, dependability, and a superior quality of craftsmanship.

BEYOND PAINT

VISION STATEMENT

To attain Success through Teamwork.

- **CUSTOMER LOYALTY:** We aim to provide high quality painting and exceptional customer service to our valued customers, while gaining their respect and loyalty.
- **MARKET LEADERSHIP:** As a Painting Company, we desire growth by continually providing new painting products and services to our customers, and expand into new areas that will enhance our future achievements.
- **GROWTH:** We aim to view change in the market as an opportunity for growth, and to use our skills and expertise to develop new ways to satisfy growing customer needs.

We aim to attain success through teamwork, impeccable customer loyalty, market leadership and continued growth

BEYOND PAINT

BRIEF HISTORY

Beyond Paint Limited is a professional painting and general contracting company that provides affordable ideas and painting services to the budget conscious individual. Established in 2009 by Mr. Dwayne Ifill the organization seeks to bridge creative ideas with technical merit to clients across Trinidad and Tobago.

Since its inception, Beyond Paint Limited has now expanded its roster of services to minor renovation projects (masonry, tiling, gypsum / mudding) Industrial painting, Road marking signage and Pressure washing services. The company is based in San Fernando, Trinidad, its client list has moved well beyond that geographical scope, throughout Trinidad and Tobago. Mr. Ifill supplies the human resource for his company's contracts to complete his jobs on a project by project basis. Beyond Paint Limited is looking to solidify its ranking from residential, commercial and industrial markets as a leading supplier of services perennially.
